

First Meeting: Wednesday, September 14th

NAHS is designed specifically for high school students. In 1978, the National Art Education Association (NAEA) began the National Art Honor Society (NAHS) program specifically for high school students, for the purpose of inspiring and recognizing those students who have shown an outstanding ability in art. The NAHS strives to aid members in working toward the attainment of the highest standards in art areas, and to bring art education to the attention of the school and community.
